Post Construction Service

This is a cleaning service that is tailor made for newly constructed or renovated buildings prior to occupation

Events cleaning

Gathering a number of people in one location requires constant clean-up/litter picking service so that patrons enjoy the event without the constant eyesore of litter. This service caters for preevent cleaning, during the event cleaning and post event cleaning.

Soft Landscape work

This service is designing the elements of a landscape that do not involve construction. These elements include trees, shrubs, and flowers, as well as container gardens, potted plants, and hanging baskets. Changing the soft elements of the landscape to change the entire look of the outside of the home, this is done when selecting different annual and perennial flowers for the gardens and flower beds.

We at Overnight Cleaners (Pty) Ltd understand that good health is conducive to the productivity and the quality of our surrounding, we strive to provide excellent Cleaning Services to satisfy the challenging needs of our customers. We take full responsibility of our client's premises and ensure that we employ our best effort in meeting client's requirement, it is our obligation to upgrade client's housekeeping requirement to suite industry standards.
